Please place a valid government issued photo ID (example: Driver's License) Alternatively you may include it separately. This piece of indentification is, however, required.				You may scan, fax, or simply take a picture of the completed form and send that along with valid identification. A signature is required and confirms that you have reviewed all the information on this document and authorize JDM Racing Motors to proceed with the transaction. If you do not have access to a printer, you may send a handwritten document with all required information and send that along. Again, you are entitled to take a picture of the information with your indentification.
